

“Share A Prayer”

Will **you** write a prayer for your school and share it with us?

Please send them to england@prayforschools.org before PrayDay– 19th November 2019.

We are collecting a variety of prayers from both adults and children about your school: the wellbeing of pupils and staff, touching on issues of concern and hopes for the future.

We'll contact you to say we've received your prayer. By sending us a prayer you are agreeing to us publishing them on Pray for Schools Facebook and Twitter and on our website as part of a down-loadable booklet. We will only use your first name!
